

REMARKS

After the foregoing Amendment, Claims 1-4 and 12-28 are currently pending in this application. Claims 5-11 have been withdrawn without prejudice due to the Examiner's restriction requirement. In the specification, paragraphs [7], [9] [27] and [36], and the Abstract of the disclosure, have also been amended according to the Examiner's directions to correct typographical errors. Applicants submit that no new matter has been introduced into the application by these amendments.

Allowable Subject Matter

The Examiner is respectfully thanked for indicating that claims 1-4 and 12-28 contain allowable subject matter. As all objected to items have been corrected as directed, Applicants believe this Application is now in condition for allowance, and a notice to that effect is respectfully requested.

Respectfully submitted,
